Program Overview

In June of 2007, the Crown Point Board of Works with the vision of Mayor Dan Klein approved the Patriotic Pathway Program.

The *new* program enables individuals, families and groups to donate an American flag in dedication or memory.

The flags are available for a $200.00 donation. They will be placed in Maplewood Cemetery with an inscribed memorial plate and will be viewable on Memorial Day, the 4th of July and Labor Day. Donated funds raised for the project will be placed into the Crown Point Beautification Fund.
