

Dear Artist:

The City of Crown Point is excited about its 4th year of 4th Friday Arts, the only night-time art walk in the in Lake County. This project kicked off on the 4th Friday of January 2008 as a one-of-the-kind nucleus for NWI.

4th Friday Arts is being developed and promoted by the City of Crown Point, South Shore Arts and the downtown business community to bring people to the historical and cultural center of the city, as well as to showcase local talent. As this is our third year, we are in a transitional period to refresh the event by having it every Quarter instead of Monthly. This will allow us to increased focused themes and artist affiliates. We are excited about this successful project's third year and hope that you will consider taking part in it. The geographical area will encompass the historical downtown district of Crown Point and will include restaurants, cultural and educational venues and businesses interested in a re-energized, pedestrian-friendly downtown Crown Point. 4th Friday Arts is committed to working with artists and venues that want to participate. Our program cannot be successful without the participation of area artists like you. We look forward to your involvement with 4th Friday Arts!
