

# Crown Point's Art in Point Presents the ***Wall of Heroes***

The Art In Point committee is pleased to announce the arrival of "Embracing Peace" to Crown Point. The Seward Johnson's monumental statue commemorating the iconic Life Magazine photo of the sailor kissing the nurse on V-J Day in Times Square will be here in Crown Point in 2018.

The Art in Point committee is accepting submissions for our Wall of Heroes. Individuals are welcome to honor their service member. A plaque with the submitted names, branch of service and years of service will be at the base of the statue to remind us all of those who have sacrificed on our behalf and that of our great nation.

To honor your loved one, please fill out the following form and enclose a donation of \$100 for each name submitted. Donations can be made in person or mailed to: (Checks made payable to the City of Crown Point)
