

The Crown Point Tree Board objectives are as follows:

- (A) Assist with technical standards concerning tree / shrub care, preservation, selection, installation, pest abatement, maintenance and removal located on city-owned property.
- (B) Make recommendations to the City of Crown Point Planning Commission on submitted landscaping plans prior to approval.
- (C) Ensure minimum standards and annual submissions to maintain Tree City USA status.
- (D) Assist the City with public tree inventories as needed.
- (E) Participate in volunteer tree planting and maintenance events as requested by the City of Crown Point Parks Department.
- (F) Apply for tree-related grants.
- (G) Provide comments on subsequent revisions to the Tree Ordinance as needed.
- (H) Meet on a monthly basis and maintain meeting minutes for record.
- (I) Make recommendations to the City of Crown Point Public Works Department regarding specific maintenance of trees on city-owned property.
